

Chagi Siyavuya

ICT: Applications Development Graduate

About me

My name is Chagi Siyavuya. I am from Eastern Cape at Bizana, South Africa. I am a software developer with a strong passion in coding and web development. I have gained a lot of experience by doing web application projects from 2022 till now. I am looking for any entry level opportunities that comes my way especially in the IT industry.

Education

2021-2023

ICT: Applications Development: @DUT

I started my 3-year duration course in 2021 @Durban University of Technology and took me 3 years to complete. I graduated in 2024.

2017-2020

Matric: @Marelane Senior Secondary School

I did my matric in 2020 at Marelane Senior Secondary School. From Grade 10 to Grade 12 I was schooling there.

Experience

2022

 **Tic-Tac-Toe**

Web based game that I develop and use to learn vanilla JavaScript, I am now experienced with some JavaScript libraries and Frameworks like React Native and Vue etc.

2023

 **Static Website**

This is a very basic websites that I've used to learn everything about Bootstrap framework.
